### Association Football at Makiki This Afternoon For the Championship of Honolulu.

The game which takes place this afternoon between Scotland and England commences the series of fixtures which are to be played to decide the League championship among the three senior Association football clubs of Honolulu. The result of today's match will be keenly watched by all interested in the game, as it will have a direct influence upon the final position of the contesting teams.

The inauguration of the League at the beginning of December insures "Soccer" a permanent place in our Island athletics, and today's match marks the culmination of months of steady effort and practice among the clubs.

The full fixture list is given below:  
January 5—England vs. Scotland.  
January 12—Scotland vs. Iolani United.

January 19—England vs. Iolani United.  
January 26—Iolani United vs. Scotland.

February 2—Iolani United vs. England.  
February 9—Scotland vs. England.

Two points will be gained for each win and one point for each drawn game. The team gaining the highest number of points in the series will hold the League championship for this season.

The three teams are all very evenly balanced, but the real struggle for supremacy will probably rest between England and Scotland. The latter club has for some time been regarded as the strongest both in cricket and football and has been undefeated for several seasons. The Scotsmen include many sterling players and are a good all round reliable team. Their defense is sound, and their forwards are good—although this is probably the weak spot in the combination.

The Iolani team can also be relied upon to put up a good game, but it has several weak, or at least, questionable elements. The defense is perhaps again the strongest point of the team. The forwards are fairly good, but they are not nearly so heavy as their opponents, and while a pretty game, lose somewhat of that effective-ness which a good, weighty line carries.

The Iolani United are nearly all comparatively new to the game, but several have already shown excellent form. They will without doubt give a good account of themselves, and we would warn their opponents not to despise them, for they play a plucky game, with plenty of determination and dash.

The costumes of the three clubs are: England, blue pants and white shirt; Scotland, white pants and light blue shirt; The United, white shirt, with red sash.

In the scheme of league rules printed last week the following very important one was omitted:  
"Rule 6. The decision of the referee upon the field must be accepted."

We would call the attention of all the players to the above, and hope that the games will not be spoiled by unnecessary talking and haggling. The decision of the referee is at the time unquestionable, and any remark is therefore absolutely futile. Appeals can only be made after the game through the club secretary. We would also ask men to play to the whistle, and thus avoid waste of valuable time. These two points, when neglected, utterly spoil the game, both to players and the spectators.

The goal nets which it was hoped would be available, have had to be abandoned. It was found impossible to procure them in time, and they must therefore stand over till next season.

As word to the linesmen for this afternoon. The linesman has not only to signal to the referee when the ball goes into touch, but also when it crosses the goal line. This point is most important, as it is impossible for the referee to determine when the ball is behind the goal. Many a goal has been scored after the ball has crossed the goal line, and been brought again into play. We hope that the linesmen will follow the ball up and down the line well, and be alive to signal when it crosses the goal line.

Fixture cards for the League matches will be procurable today from the club secretaries. A limited number has been printed, and they should be procured at once. The price is ten cents.

The English team this afternoon, is as follows:  
Forwards, Miles, Lansdale, Davies, Cheek, Blackman; halves, Biddell, Stokes, Parish; backs, Owens, Soper; goal, Ault.

Mr. Irvine was to take part in the match, but is unable to play. His place has been filled by Cheek, who has plenty of weight and pace. The Rev. W. Ault arrived from Kauai yesterday morning looking in fine fettle, and ready to do battle for the Rose this afternoon.

Owens and Miles are the latest recruits to the English standard. They have both played considerable football in the old country, and their debut will be watched with interest.

The thanks of all Association clubs must be accorded to Dr. Smith, who has again generously allowed the League to make use of the college ground. It is anticipated that a large crowd will assemble this afternoon and give the League contest a good send-off.

#### ELECT OFFICERS.

Scottish Thistle Club Held a Meeting Last Night.

At a meeting of the members of the Scottish Thistle Club last evening the following officers were elected to serve for the ensuing year: Norman Kay, chief; John C. Brown, chieftain; secretary, Ar-

chie S. Guild; treasurer, J. H. Catton; master at arms, A. B. Kennedy; trustees, E. Murray, W. F. Wilson, George L. Dall; library committee, R. Anderson, A. B. Kennedy, W. White, A. S. Guild.

A special meeting of the club will be held in the club rooms on Monday, January 7, at 7:30 p. m., to discuss the celebration of Burns' anniversary, the 25th instant.

#### COUSINS' SOCIETY.

Meeting Tonight at the Lowrey Home on Victoria Street.

The Cousins' Society will meet with Mrs. F. J. Lowrey this evening, and not with Mrs. W. R. Castle, owing to the illness of Mrs. Lowrey, Mrs. Castle's mother. Mrs. Lowrey's home is on the corner of Victoria and Lunalilo streets, above Mrs. Castle's. There will be a very interesting meeting.

Besides the addresses by Miss Ackerman and Miss Murcutt, the musical program will include a piano duet by Miss Hyde and Mrs. Richards; a song by Mrs. Philip Frear, and a violin solo by Miss Alice Woods. The Cousins and their friends will take advantage of this opportunity to enjoy a pleasant evening.

#### ROWELL PITCHED OUT.

The Public Works Man's Buggy was Overturned at the Capitol.

Assistant Superintendent Rowell of the Public Works Department met with an accident yesterday by the overturning of his buggy, to which were attached two black horses.

As Mr. Rowell was driving into the Capitol grounds at about 4 o'clock, the horses, which are frisky animals, suddenly shied, and in the attempts to hold them in check the buggy was swerved around and suddenly overturned on his left shoulder. He, however, maintained his hold upon the reins and prevented a runaway. The seat and dashboard of the buggy were demolished.

#### MEETING POSTPONED.

No Quorum of the Catholic Benevolent Association.

The meeting of the Catholic Ladies' Benevolent Association which was to have been held yesterday afternoon in the Convent parlor, has been postponed, owing to inability to get a full quorum.

It is especially requested that all members make it a point to be present at the postponed meeting next Friday afternoon at 3 o'clock, to be held at the residence of Mrs. J. McLain, on Beretania street, between Alapai and Punchbowl streets, as business of importance will be transacted.

A lieutenant of the United States navy tells, in the Boston Herald, a story about the etiquette of naval salutes: "A ship I was on dropped anchor in a little Haytian port known to have a battery in its forts. We gave the national salute, but waited in vain for an answer. I was sent ashore to demand an explanation and was told, with many apologies, that no powder was on hand, but that people had been sent to a neighboring town for it and the salute would be returned as soon as it arrived. This did not please our captain, who sent back word that if the salute were not fired by sunset he would consider it an insult to the United States. In answer to this a dusky Haytian officer, covered with gilt and trailing a huge sword, came on board and said that if we would kindly lend him some powder the salute would be returned at once. Our captain relented, gave him the powder and the booming of twenty-one guns was soon heard."

The Hotchkiss factory at Bridgeport, Conn., was burned on the 23d instant, entailing a loss of \$80,000.

There was a big snowstorm in Omaha, Nebraska, December 22, and rotary plows were kept busy all night.
